Middle school winners receive prizes and opportunities to compete in

- The California State Science Fair
- Broadcom MASTERS Competition

The Synopsys Championship

March 7, 2012 at the San Jose Convention Center

1000 county students compete for medals and ribbons by grade and project scientific category. In addition, companies and professional organizations award more than 250 special prizes. Past winners received free admission to Great America for the Award Ceremony.

VIP Educator's Tour 2:15PM 03/7/12
